

## INTRO

**Brianna:** Welcome back to "On It!" with Stephens Life, I'm Brianna Jackson.

**Jessica:** I'm Jessica Langford and we have an exciting episode for you this evening.

**Brianna:** That's right we have a few special guest coming in that you wouldn't want to miss but like always before we do anything else let's jump into hot topics.

## HOT TOPICS

**Brianna:** Is the dress white and gold or blue and black?!

**CUE DRESS STILL:** Over this past weekend, the internet has seen itself divided by a controversial dress that appears to some as white and with gold trim and lace while others see the dress as blue with black accents. Apparently, there are a few theories behind this phenomenon. Some say the colors depend on your mood (if you are feeling negative, you'll see black and blue). Others say it depends on the light/color combination in your brain. **CUE PHONE CASE STILL:** Regardless of what colors you've seen, you can get the dresses as a phone case. Amazon is currently taking pre-orders for iPhone cases starting at \$17.

**Jessica:** Well, a conversation isn't complete without a few emoji's in the mix. Recently, Apple has announced that their new update will include a more diverse set of emoji icons in response to customer demand. **CUE EMOJI STILL:** And it's not only the generic male/female faces, the skin tones will be used for the thumbs up/down, princesses, construction workers, and hopefully more. That's just a little bit of the 300 new emojis to come. Some of the other emojis to expect are 32 new country flags and more family icons that include same-sex couples. The update will be released later this year to the public. Hopefully, android will follow suit pretty soon.

**Brianna:** Speaking of suit. It's backkkkk! **CUE HOUSE OF CARDS VO:** House of Cards had officially returned for its third season this past Friday. Just a few weeks ago, the Netflix original series appeared (briefly) on the on-demand media streaming website until the company took it down. This political drama stars Kevin Spacey and Robin Wright. **CUE FILM SERIES STILL:** And while we're on the subject of the series, the casting director of the show, Kimberly Skyrme, will be coming to our campus for the Citizen Jane Series next week.
